Python

WORK

TalkMeUp | Product Design Intern
Nov 2018 - Present

Leading the design at an early stage startup focused on using AI to provide communication training.

Amazon | UX Design Intern
May 2018 - Aug 2018

Led the redesign of the product customization and personalization experience for Amazon Marketplace.

LEADERSHIP

Global Business Brigades | Co-president
Aug 2017 - Aug 2018

Provided business consulting and strategic counseling to under-resourced businesses in Torti, Panama. Led the fundraising initiative for $10,000+.

PROJECTS

Let's Walk | UX Designer
Oct 2017 - Dec 2017

Designed an interactive mobile prototype that encourages exercising. Conducted competitive analysis, user interviews, and stakeholder interviews.

Study Space | UX Designer
Mar 2017 - May 2017

Designed, prototyped, and user tested a web application that used crowdsourcing to help students find study spaces on campus.
